

ELECTRICITY PROJECT

February 16, 2012

Boyle County Extension Office

4-6 pm

Instructor: April Whitis

Build Your Own Lamp From A Pop Can!

Who: youth ages 9-18

What: Learn about electricity, working with it safely, and turn a lamp kit and soda can into your own lamp you can keep!

Bring \$5 and a clean, empty aluminum pop can to the Boyle County Extension office by February 9th. Limited to 20.

For questions, please contact the Boyle County Extension Office at 859-236-4484.

Educational programs of Kentucky Cooperative Extension serve all people regardless of race, color, age, sex, religion, disability, or national origin. University of Kentucky, Kentucky State University, U.S. Department of Agriculture, and Kentucky Counties, Cooperating. Disabilities accommodated with prior notification.
