A class entitled –Sharing Stories – An Introduction to Oral History will be presented by Marsha Parker, Christian County FCS agent, and Loretta Fitzgerald, Caldwell County Homemaker from 10:00-11:00 while judging is taking place. You don't have to enter items to come to the class.

All items submitted must be the Homemaker's original work and must have been completed during the past two years. Items receiving a purple ribbon from previous years in each category or subcategory are not eligible. You must provide your own materials for properly exhibiting your item. Nothing can be hung on walls. If you would like a complete copy of the rules, call me at the Extension Office.

I would like to encourage all of our homemakers to look at what they have created this past year and consider entering. If you have something you would like to exhibit, but cannot make it to the UKREC the day of the contest, please let me know and I would be glad to take it for you. Enclosed you will find the categories and subcategories for the exhibit. Please bring some really good crafts to represent our county!
