

LEARN TO SEW!

All Youth ages 8 to 19 Welcome

The LEARN TO SEW program will teach your child how to make a simple project using a sewing machine and serger, perform basic clothing repairs (which saves money!), launder & iron clothes properly, and make a garment or bag that they can wear or use themselves. In the fall, we will make practice projects that will teach the techniques needed to make the final project in the spring.

The lessons will be taught by Calloway County Extension Agent for Family & Consumer Sciences, La Dawn Hale, with the assistance of experienced and trained clothing leaders. The 4-H sewing curriculum will be used. The only cost of this program will be the few sewing supplies and fabric for the final project in the spring. If there is a sewing machine available in the family, please bring it with you. If not, do not let that deter your child from being a part of this opportunity. We have machines that can be shared. If there is difficulty affording the supplies, please let me know. We want every child who is interested to learn how to sew.

All meetings will be held at the American Legion Building, 310 Bee Creek Drive, Murray KY, 42071 - across from the Bee Creek Soccer Complex. Please bring your own snack for the sewing meetings. Below are the meeting dates. Unit I can choose Monday or Saturday. Each child will only meet once a month, beginning September 2011. We tried to keep the meeting times to once a month, because we know our children are very active!

- 1st Saturdays 9:00-11:30 (Unit I) 1st meeting – Sept 3
- 2nd Mondays 3:30-5:00 (Unit I) 1st meeting – Sept 12
- 3rd Saturdays 9:00-11:30 (Unit II & up) 1st meeting – Sept 17

Please complete the form below, cut, and return it to school by Monday, August 29. We will see you at the first meeting!
