Thank You

The Campbell County 4-Her's were an excellent addition to the Carnival week that we held at Active Day Medical Adult Day Care Center. Much thanks to the Kindred Hearts 4-H club for their continued support to us. We have enjoyed their yearly demonstrations of their fantastic fair projects for many years. The dedication that those 4-Her's and their leaders have poured into their projects is wonderful and should be recognized!

As a 4-H alum, I have been extremely impressed with the demonstration of their projects. As they present to such a large crowd in a not always comfortable environment, they keep their cool and are always wonderful examples of what a 4-Her should be. They certainly use their hands, heart, heads, and health to provide such a great program for the seniors and young adults in our program. We thank Cheryl Meyers for being so flexible and continuing to work with us to set up this program every year.

A big thanks also goes out to the young ladies who assisted with the carnival itself. It was a very hot day and each of the girls enthusiastically assisted in all areas of the carnival. They were a huge help and if it had not been for them, we honestly would have had a hard time holding the event. All 88 members in attendance were so happy with the day and I am positive that that related so much to the beautiful smiles on their faces and their willingness to overlook any disabilities! How proud the 4-H agents of Campbell County should be for such outstanding young leaders! Thank you all so much for your continued support of Active Day!

Sincerely,

*Lee Ann Kramer, CTRS, Program Manager
Active Day Medical Adult Day Care Center*

Thanks to all the individuals and businesses who support the youth of Campbell County and those volunteers who give their time to make the shows and sale a success.

On Friday, Sept. 9 the club met to take down the arena and stalls and to clean the livestock barn. Clubbers were presented with their livestock checks if they met the requirements. Thanks to Mr. Prim, club leaders and the others who help the livestock club run smoothly!

The next meeting will be The Livestock Field Day on Saturday, Sept. 24th from 8:00 a.m. to 12:00 noon, Alexandria Fairgrounds.
