Estill County Agricultural

Hall of Fame

The Estill County Agricultural Fair Board and Estill County Farm Bureau started honoring local farmers who have contributed to the county in many ways besides farming. The committee started with more than 150 farmers. To be selected you not only have to be a farmer, you have to be active in one or more community service organizations like the fair board, extension board, farm bureau board or conservation board. Memberships in other groups such as Lion's Club and Kiwanis Club are also considered. Since 2005, the fair board plans to honor at least 2 farmers every year at the Estill County Fair Beef Cattle Show.

2005
