

# WHO WE ARE

The Shooting Sports Program began in 1988. The primary purpose of 4-H is to provide growth and youth development through leadership and hands-on training. 4-Shooting Sports give children 9-18 the opportunity to learn proper firearm safety. It is an introduction to safe and responsible use of firearms and archery equipment, which is a valuable skill. Certified coaches through 4-H are always present and ensures the safety of each child while handling a firearm.

## 4-H Pledge

*I pledge My head to clearer thinking,  
My heart to greater loyalty,  
My hands to larger service,  
and My health to better living  
For my club, my community, my country,  
and my world*

## Frequently Asked Questions?

### **Why does 4-H have a shooting sports program?**

- 4-H uses shooting sports to teach youth development. Our programs are valuable for helping young people develop self-confidence, personal discipline, responsibility, teamwork, self esteem and sportsmanship. The discipline and self-control required for responsible firearms use carries over into many other aspects of life.
- 4-H programs provide a positive experience for youth and promote the safe and ethical use of firearms.
- It is our belief that firearms education reduces gun accidents. Hunting and Shooting are rich American traditions. 4-H shooting sports programs help continue this tradition through involvement of the total family: youth, teens, parents, grandparents, etc.

### Expectations

- Shooting Sports ID will be required to participate in practice session
- Must attend one of the three mandatory training sessions in April
- Registration information and payment must be in hand in order to participate.
- Practice will follow all safety guidelines as laid out by the Kentucky 4-H Shooting Sports Program.
- Parents must stay the full duration of practice. If you leave, your child leaves with you. Regardless of circumstances.
