## **H.B.C.A. SHARED USE EQUIPMENT**

The following equipment is available to Highlands Beef Cattle Association members.

### ✓ **Portable Cattle Working Chute**

This is a WW brand cattle working chute with palpation cage. The chute sits on top of a set of Paul Scales which can weigh cattle up to 3000 pounds. The entire chute is on wheels and can be towed using a two inch trailer ball. There is a \$10.00 per day rental fee.

### ✓ **Portable Coral System**

This is a WW brand portable coral system consisting of 20+ panels in 10 foot and 12 foot sections. The panel system is on a trailer that can be towed with a two inch trailer ball. There is a \$10.00 per day rental fee.

### ✓ **Bull Soundness Exam Equipment**

Bull soundness exam equipment is available to Highlands Beef Cattle Association members. Call your County Extension Office for more details.
