Hello,

Happy New Year to everyone. I just got used to writing 2010 on my checks and now I have to change to 2011. I look forward to a great new year and the good things that it will bring. Garrard, Boyle, Lincoln & Mercer county ANR agents have put their heads together and scheduled several good area wide meetings this winter. I have listed the meeting dates and times for you to mark your calendars. Hope to see you there. Please RSVP the Extension Office so we may plan the meals. (859) 792-3026.

Sincerely,

Jay Hettmansperger
