Get set for a Saturday full of great gardening information that will teach you how to grow fresh, healthy vegetables for your family in a limited amount of space – even in your own backyard! You don't have to own expensive equipment to have a successful vegetable garden. This three session seminar will guide you through the steps to success. The \$8 fee includes a gardening packet containing a certificate for a free gardening soil test & refreshments. Advanced payment & registration are required. For more information call a Master Gardener at 230-7022 or the Extension Office at 259-3492. Park in the back of the building & enter in the West entrance door.
