

4-H CAMP

*Summertime fun @ beautiful
Lake Cumberland 4-H Camp*

Week 1:
June 21-25

Week 2:
July 12-16

This year we are camping two weeks. They are both five-day camps - so you can choose the week that fits best! Camp is available to campers ages 9-13.

High ropes, low ropes will leave you wanting more. Nature, hiking, so much to explore. Rifle and archery prepares you to be safe. Fishing, canoeing will take your breath away. There is so much to do during the five-day camp week, that we just can't tell it all!

These activities are offered at both camp weeks: boating, swimming, hiking, archery, high & low ropes, arts and crafts, and sports.
