

**As part of the Jefferson County 4-H Council's
"212 Degrees Goal Setting"
initiative, we are asking you to support one or
more of the following fund-raising projects.**

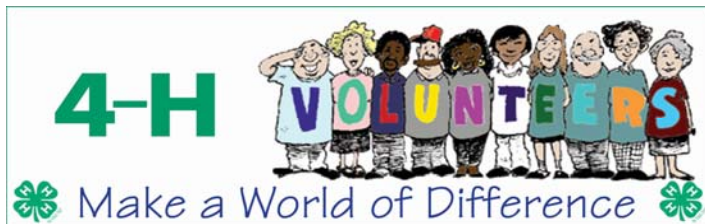

It's easy!

Please take a moment to read on...

___ **Kroger Card.** This is a wonderful way to support 4-H. Just order your Kroger card from the 4-H office. Using cash or credit, load your card in any amount you wish and use it to pay for your groceries and gas (Kroger Store Gas Pumps Only). It's easy, painless and costs you absolutely nothing! 4-h then receives funding from that usage, which supports our programs.

___ **Sponsor Book.** For \$30 you can have your business card printed in our 4-H Sponsor Book on a special 4-H alumni page. It will simultaneously support 4-H and your business. This publication is received by thousands of individuals throughout the Metro area and offers a tremendous opportunity for your business to be recognized at an extremely reasonable price.

___ **Pet Treats.** For all you pet lovers, 4-H will be selling dog treats, cat treats and horse treats. Each bag costs \$4.00 with 50% of that cost benefitting the Jefferson County 4-H program. (Treats may only be available during limited sale dates).

___ **Golf Scramble.** Jefferson County 4-H hosts the annual Roy Strange Golf Scramble held the first Monday in June at Nevel Meade Golf Course. You can sponsor a team (\$500), a hole (\$100), donate a door prizes and/or volunteer to help. It's not every day we get to raise money and have fun at the same time!

Please check the fund-raising event you would like to support and return to:

**Jefferson County 4-H
Attn: Rosie Norris
810 Barret Ave.
Louisville, KY 40204-1782**

or you can email Rosie at:

Rnorris@uky.edu with your information

With your support we can continue to "make the best better!" We need your help to be successful in building capacity in today's youth in order to meet tomorrow's challenges and opportunities
