IMPORTANT PHONE NUMBERS

NKSWMA COORDINATOR

MARY F. DICKEY

Phone 334-3151

Fax 334-3598

E-Mail mdickey@boonecountyky.org

Internet www.boonecountyky.org/NKSWMA

As the NKSWMA Coordinator, Mary is in charge of making sure you get the information you need. Not sure who to call? Can't decide what disposal method would be best? Call Mary and she will connect you with people that can help. She has information on Boone, Kenton & Campbell solid waste programs as well as the Northern Kentucky Solid Waste Management Plan and Annual Report.

County Solid Waste Management

Each county has a Solid Waste Coordinator who deals with issues that include recycling programs, composting, landfill and disposal issues, household hazardous waste, education and community affairs, presentations, illegal dumping, litter abatement, enforcement, and resource material. Please call your local Solid Waste Coordinator for information on programs, special events, policies, etc., within your county jurisdiction.

Kenton County: 356-3155

Report a Garbage Dump

If you see a garbage pile on someone's property, you can call the Kentucky Division of Waste Management's Illegal Dump Hotline at 1-888-NO DUMPS or your Solid Waste Coordinator. You can also anonymously visit www.boonecountyky.org/bcswm to report. If you actually see someone in the act of dumping, **CALL 911**. Dumping is a Class D felony, so please speak up!

WASTE HAULERS

These are the companies that offer garbage service.

Bavarian Waste Hauling and Disposal

5535 Vine Street
Cincinnati, OH 45217
472-7339
www.rumpke.com/
recycling1.html

For information about construction/demolition debris container service, please consult your phone directory.

GETTING GARBAGE SERVICE

FIRST, if you live in a subdivision or planned neighborhood, find out if there is a Homeowners Association for your community. Often, the HOA contracts trash service for the neighborhood.

SECOND, if you don't have a Homeowners Association, contact your city. Cities usually manage garbage service for incorporated areas.

THIRD, if you live in an unincorporated region and not in a city, you are free to contract waste removal with any hauler that you prefer. Check the list at left for hauler information.

RECYCLING

To sign up for curbside recycling, call your waste hauler (see Waste Haulers above). You can always collect household recyclables and bring them to any of the drop-box bins below. Please be sure to place only acceptable recyclables in the bins because dumping unauthorized material in or around a bin causes contamination and entire bins must then be taken to the landfill.

BOONE COUNTY

334-3151 for information

- Northern KY Airport Sound Insulation House
3644 Limaburg Road, Hebron
- Florence Public Services Center
7850 Tanners Lane, Florence
- Petersburg Community Center

Cincinnati 513-761-5333
www.2trg.com
Accepting: Computers and components; Call for prices.
- **USA Lamp & Ballast**
Cincinnati 513-641-4149.
www.usalamp.com
Accepting: Computers and components, dry cell batteries, cell phones, Call for prices

Fluorescent and Compact Fluorescent Light Bulbs

Several local businesses recycle fluorescent bulbs. Compact fluorescent light bulbs (CFLs)

can be taken to **Home Depot** in Crescent Springs (331-4500) and Florence (283-1460) and to **Small's Hardware** in Ft. Mitchell (331-6776).

Televisions

These businesses recycle TVs:

- **Apex Technology Solutions**
(See above)
Charge: \$10-35.
- **Best Buy**
Charge \$10 each for up to two TVs but participants will receive a \$10 gift card towards future purchases
- **2trg**
(See above)
Charge: \$30
- **USA Lamp & Ballast**
(See above)
Charge: \$0.50/pound

PLASTIC BAG RECYCLING

All Kroger and Wal-Mart locations in Northern Kentucky have receptacles for customers to drop off plastic grocery bags to be recycled. Please keep in mind that it is much more environmentally sound to bring reusable bags instead.

MONEY FOR RECYCLABLES

The following companies offer funds for recyclables:

Abitibi Consolidated

P.O. Box 17107,
Cincinnati, OH
513-242-3671

Types: Paper; For
nonprofit org.

CONSTRUCTION REUSE

The Covington Re-Use Center (315 15th St., Covington, 291-0777) offers salvaged and new home components from windows to doors, sinks, bathtubs, desks, paint, chandeliers, and more.

HOUSEHOLD HAZARDOUS WASTE

Household hazardous waste (HHW) is the group of chemicals and other substances that are commonly found in many homes but require special attention when being discarded. Please keep in mind that the best way to get rid of these materials is to use them up.

Antifreeze

Antifreeze can be taken to **Kenton County Public Works** in Independence (392-1920) or to **Boone County Public Works** in Burlington (334-3151), which is open to any Northern Kentucky resident with a 5 gallon limit.

Saf-T Auto Florence 525-8090 (any color)	Ft. Thomas 781-8863 (any color)
Kentucky Tires Covington 291-8999	Steele's Auto Service Burlington 534-5900
Master Tech Auto	Steve's Auto Repair Covington 356-3000

Batteries

Auto batteries are accepted by most stores that sell them as well as by **Bluegrass Recycling** (see Money For Recyclables on p. 5). All household batteries can be taken to **Sears Hardware** in Newport (431-6190). The **Rechargeable Battery Recycling Corporation** can be reached at 1-800-8BATTERY (800-822-8837). Ni-Cd cell phone batteries are accepted at local retail stores including **B&W Supply, Best Buy, Home Depot, Lowe's, Office Depot, Pete's PhotoWorld, Radio Shack, Staples, Target** and

ENVIRONMENTAL DISPOSAL COMPANIES

Safe and legal disposal of any hazardous materials for a small fee:

Environmental Enterprises, Inc. Cincinnati
4650 Spring Grove Ave. 513-541-1823

USA Lamp & Ballast: Free drop-off of light bulbs, thermostats, or batteries from households; Computers for a fee
513-641-4149

If you have any questions about disposal please feel free to call your local Solid Waste Coordinator, the NKSWMA Coordinator or the **Northern Kentucky Household Hazardous Waste Action Coalition (NKHHWAC)** at 578-6744. Check out their website at www.nkyhhw.org. All three counties are members of the NKHHWAC.

wireless services companies. Call for more info.

Fire Extinguishers

For safe disposal, spray any remaining material out of the extinguisher and into a garbage bag. Once the container is empty, mark it as such. After that, it will be acceptable for pick up with your household trash.

Gasoline

Environmental Enterprises (see sidebar) will take old gas and gas-oil mixes but you also have the option of soaking it up with rags. Once you have sopped up all of the liquid and put the rags into a plastic bag, you can throw it away with the rest of your trash.

Household Cleaners

Most of these products are water-soluble and can be poured down the drain mixed with water. Never mix household cleaners when disposing. Special caution should be taken with septic systems or package treatment plants.

Paint

First, try to reuse any waste paint by finding a neighbor, church, or local school who can use it. If you must dispose of it, try the **Covington Reuse Center**. They reblend old paint so that it can be reused and you can reach the paint recycling facility at 431-7500. You can also set the paint at the curb with your regular trash but you must first let it dry out. Remove the lid from the can and let set or add a handful of kitty litter to the paint to expedite the process. Be sure to do this in a well-ventilated area or outdoors. The paint doesn't have to be perfectly solid, but it cannot be runny.

Pesticides

The Department of Agriculture can provide information about disposal at 1-800-205-6543. Most household pesticides in small amounts are fine to go to the landfill though anyone with large amounts is encouraged to call Environmental Enterprises (see sidebar).

Prescription Drugs

New Federal guidelines ask that medications be removed from their original containers, mixed

HOUSEHOLD HAZARDOUS WASTE

in with your grossest trash (old food, kitty litter) and set out with the rest of your refuse. Please do not flush medications down the toilet unless your patient information specifies that it is safe to go down the drain.

Propane Tanks

Tanks can be turned into cylinder exchange companies like **Blue Rhino** at local stores. Empty tanks can also be put out for the garbage as long as the valve stem is completely removed from the tank or the valve is fully opened and "EMPTY" is written on the side. Call your garbage service for details.

Solvents

Solvents, such as paint thinner, do not go bad. Allow the particulates to settle out, drain off the clear liquid. Mix the remainder with kitty litter and dispose in trash.

Vehicles

Call the following businesses to set up free removal and recycling of junk vehicles: **Boone County Auto & Truck Salvage**, 384-1164; **Union Auto Parts**, 384-3381; **Walton Recycling**, 363-8300; **Webster's General Contracting**, 393-4890.

USED MOTOR OIL

Used motor oil from home oil changes must be taken to a facility that can dispose of it properly. Both **Boone** (334-3600) and **Kenton Counties'** (392-1920) Public Works Departments accept up to five gallons of used motor oil from private residents. Most instant oil change businesses accept used oil as well but be sure to call ahead before bringing your oil as there may be restrictions.

The Northern Kentucky Solid Waste
Management Area
5645 Idlewild Road
Burlington, KY 41005

STAMP
ME

The Northern Kentucky Solid Waste Management Area
consists of Boone, Kenton, and Campbell Counties.

LITTER ABATEMENT & SPECIAL EVENTS

Litter is an unhealthy, harmful and intolerable blight. It affects our quality of life, and it creates a negative impression of our community. It also pollutes our land and water and is detrimental to wildlife. Litter is also expensive to remove—Kentucky spends millions of dollars every year cleaning up roadways. **Littering is also illegal!**

Throughout the year, Northern Kentucky hosts litter clean ups and abatement programs to combat litter. If you would like to learn more about how to get involved and stop litter in your community, call your local Solid Waste Coordinator or the NKSWMMA Coordinator. We would love to plan a community litter cleanup for your neighborhood or business. Join us for our spring & fall cleanups as well as Commonwealth Cleanup Week, River Sweep and the Great American Cleanup. Northern Kentucky is OUR home—help us keep it clean!

EDUCATION

Your Solid Waste Coordinators and NKSWMMA Coordinator have a wealth of information to share with you. They are available to give presentations to schools, civic groups, churches, camps ... anyone. We can discuss any subject related to solid waste management, such as recycling, waste reduction, household hazardous waste, litter and more. If you are interested in these programs, wish to schedule a presentation or need more information, just give us a call!

The NKSWMMA and this Resource Guide do not seek to endorse or promote any company. The listings are provided as a service to inform the public of proper disposal and recycling options. Anyone with suggestions, additions or corrections of options **offered to the public** is invited to call NKSWMMA at 334-3151.
