

**2012- BERRY PLANT ORDER FORM**

Mail or Return to: Knott County Extension Office (located at 149 Parks Branch Rd, Hindman, Ky.)  
 Att: Chad Conway  
 PO Box 462  
 Hindman, Kentucky 41822  
 Phone: 606-785-5329  
 Fax: 606-785-0942  
 Email: [cconway@uky.edu](mailto:cconway@uky.edu)

Date due: The order form and money are due by **March 1, 2012**. Make checks payable to:  
 Knott County Agriculture Council. A portion of the proceeds benefit the WTA Ag  
 fund.

Arrival time: Plants will be shipped to us in mid-March. We will call you when they arrive.

Plant Types & Varieties:

**Strawberry Plants** arrive in bundles of 50. **We do not split bundles.**

**Earliglow** – June-bearing. Medium, firm berries. Resistant to red stele, leaf scorch, & vert. wilt.

**Allstar** – June-bearing. Large, firm berries. Resistant to red stele, leaf spot/scorch, and vert. wilt.

**Blueberry Plants** are sold by single plant. To achieve pollination, you need to order one of each variety.

**Bluecrop** – Bears mid season. Large, firm berries. Excellent color and flavor.

**Patriot** – Upright bush, large, firm fruit with good color.

**Blackberry Plants** are sold by single plant.

**Triple Crown** – Thornless – Ripen mid-July to mid-August. Large, firm berries. Good flavor.

**Raspberry (Fall or Ever-bearing) Plants** are sold by single plant.

**Lauren** – Spring bearing large red raspberry.

**Rhubarb** are sold by single plant.

**MacDonald**
