If you are interested in the Clothesline of Quilts Project and want more information about how to get one of your own, please call 270-422-4958 or stop by the Meade County Extension Office, 1041 Old Ekron Road, Brandenburg, KY. You may also pick up an application at Meade County Rural Electric Cooperative Corporation, 1351 Hwy 79, Brandenburg, KY, or call at 270-422-2162.

## Clothesline of Quilts

Applications are now being accepted for Meade County's Clothesline of Quilts. Clothesline of Quilts started a few years ago in Adams County, Ohio when Donna Sue Groves painted a large quilt square directly on her barn in memory of her mother, Maxine Groves, who was a noted quilter in the area. Since then, the idea has spread to several states and has begun in Meade County. If you are interested in having a quilt square hung on a barn, you will need to complete an application, which can be picked up at the Extension Office.

### Quilt Block Guidelines:

- Each block must be 8' X 8'
- Quilt square may be pieced or appliqué pattern.
- Blocks must be painted on approved signboard or other similar material
- Quilt block must be placed on a Committee approved barn, building or other location.
- The local committee must approve the quilt block. This is to maintain, refrain from excess duplication and insure quality of the project.
- The local committee will make the necessary contact to schedule the hanging of the block.
