Cattlemen's Association (MCCA) to follow

****Call 734-4378 by September 24th for reservations.**

Wagon Tours Include:

Benefits of Prescribed/Rotational Grazing:
Sid Brantly, NRCS Grazing Lands Specialist

Strategic Weed Control:

Dr. J.D. Green, UK Extension Weed Scientist

Extending Your Vegetable Growing Season:

Dr. Tim Coolong, UK Vegetable Crops
Specialist

Nutrient Management/Stretching Fertilizer \$\$:

Dr. Greg Schwab, UK Extension Soil Manage-
ment Specialist

This year's hosts are Josh & Joni Horn. We invite all farmers (full, part time & hobby), agriculture businesses and anyone else with an interest in agricultural production to come out and take part in this educational field day. There will be some shade, hay bales for wagon seats, cool drinks and good food for all. In addition, several agricultural businesses will be there with displays, including: Blue Grass Stockyards South, The Beef Connection, and others.
