- Fellowship
- Personal Growth
- FUN!

## Kentucky Extension Homemakers Association

Today's family is ever-changing. It's difficult to keep up with new research and information alone.

The Extension Homemakers Organization provides informal education, leadership, and community activities. Homemaker clubs are a part of the University of Kentucky Cooperative Extension Service.

Through a variety of programs, homemakers are able to contribute more effectively to the well-being of their family, community and themselves.

Why not join an existing club or a new one? If your time is limited, become a mailbox member. This membership allows you to receive all educational materials, bulletins and our monthly newsletter plus other mailings sent right to your home.

To become a member of the Oldham County Homemakers, complete the form on the back page and mail it to our office.

*We Welcome You!*
