CENTENNIAL SERVICE: 100 Hours for 100 Years!

Name: _____

Please check one:

___ Individual or
___Club:_____

REMEMBER: To recognize this incredible milestone of 100 years, Shelby County has challenged all its 4-H members to participate in 100 hours of community service. Any 4-H member, 4-H Club, or 4-H project group that accumulates at least 100 hours of community service by November 30, 2009 will be recognized. These names will appear on a special Centennial Service plaque that will hang in the Shelby County Extension Office. This is the only time EVER you will have the opportunity to have your name on this plaque!!! Individual 4-H members who achieve this mark will also receive a special award. Community is a large part of the foundation of 4-H and is even a part of the 4-H pledge. There are endless ways to serve our community, and we are all the better for giving back! Simply record the date, hours worked and what you did in a log. An abbreviated one is below. Clubs can work together to achieve this, or members can work individually. Please record which you are working towards. 4-H events you are involved in such as club meetings, competitions or similar club activities should not count in the 100 hours. If you have questions, please feel free to call us at 633-4593, or email bjmark3@email.uky.edu. We can't wait to see what a difference 4-H can make in our community!
